**WHAT IS THE FIRST THINGS FIRST WHITE MOUNTAIN APACHE TRIBE REGIONAL
PARTNERSHIP COUNCIL PARENT COACHING FOR PARENTS/GUARDIANS OF CHILDREN
AT-RISK FOR DEVELOPMENTAL DELAY GRANT PROGRAM?**

The strategy will provide a comprehensive Parent Coaching System with the first component to include ongoing, in-home, individualized supports to parents/guardians whose child has been screened and/or evaluated but does not meet the criteria for intervention services. The second component of the strategy will seek to bring parents/guardians of children at-risk for developmental delay out of isolation and provide a system of social supports and networking opportunities through interactive group coaching activities. This second component will be built upon in subsequent years with the incorporation of a peer mentoring program beginning in year SFY 2012. By targeting families of children at-risk for developmental delay, the strategy seeks to fill an existing gap in service delivery while being able to change cultural norms and bring families out of social isolation.
